For the purpose of introduction & consideration for employment with your company, I have submitted my resume for your review and consideration for the desired job position.

Through work experience, education, and my dedication and longevity with my previous employer, I have been able to develop many skills in organization, communication, leadership, decision making and self motivation. These skills have given me the opportunity to make sound decisions that have impacted customers, fellow employees and my employers in a positive way. In addition, the positions that I have held have given me the ability to deal well & communicate with many types of personalities. I have a high level of integrity & dependability.

I would greatly welcome the opportunity for discussion and interview, to further discuss my qualifications for a full time position with your company. I look forward to hearing from you in the near future for consideration.

Thank you for the consideration.

My Best,

Deborah A Gauthier
